## **R.W. Walter H. Hunt**

Grand Historian of the Grand Masonic Lodge of Massachusetts

Walter will share with us the wealth of resources as well as the history of the Grand Lodge.

The Grand Lodge of Massachusetts dates back to 1733. It was the first in the New World, and the third oldest following the Grand Lodges of England and Ireland. Formally organized under the leadership of Henry Price, Boston's first Masons met at the Bunch of Grapes Tavern. Freemasons have been building better men and better communities ever since.

**WALTER will be selling his books as well**
